SUMMER CAMPS

MACKDONALD
LANGUAGE
ACADEMY

KILKENNY
IRELAND

Our school is based in scenic Kilkenny, Ireland's medieval capital is a popular destination for thousands each year

Mackdonald language academy is an independent language school in Kilkenny, Ireland. We offer academic and personal English language courses to kids and teenagers during the summer months of July and August. Our students, aged 9-21 years, come from all over the world.

The extracurricular programmes in the afternoon guarantee that the learning process continues outside the classroom. Students learn English in a relaxed and fun-loving environment.

All students stay with Irish host families in Kilkenny. This way, each student has the possibility of getting to know the "Irish way of life" during their stay.

We operate on an 'all inclusive' basis with no hidden costs: English tuition, host family accommodation, airport transfers, trips, excursions, activities, sports and fun.

ENGLISH, ACTIVITIES, TRIPS & SPORTS

Throughout the course, we show our students a first-class selection of interesting places and events in Ireland. Our students will not only have the chance to greatly improve their English, they will also get a real flavour of Ireland with its cultural and natural beauty.

Students can choose from a wide variety of sporting activities like football, tennis, basketball, frisbee, table tennis and many more. Expenses for activities, trips and excursions are included in the course price.
