Your Accommodation

HOMESTAY - BE PART OF A FAMILY

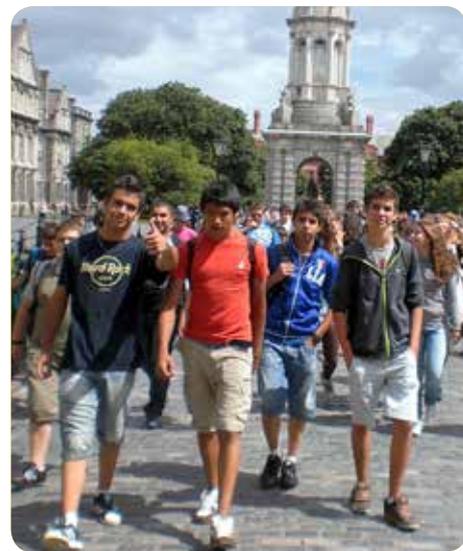

mackdonald language academy has been providing home-stay accommodation in Kilkenny since the founding days of the school. We understand the importance of a safe and friendly home environment for our students.

Home-stay accommodation gives students the opportunity to experience the Irish way of life first hand and to practice English outside the classroom. All families providing home-stay accommodation are carefully selected and revisited every year.

Our families do everything they can to welcome students into their friendly homes and to make their stay happy and successful. All students are housed in a single room - often sharing the family with a student of a different nationality, so they can speak English together.

Home-stay accommodation is available at our main centre in Kilkenny. Families provide breakfast, a packed lunch and evening dinner every day.

Most families are within walking distance of the school and the city centre of Kilkenny. If not, the host family provides free transport to and from the school, activities and city centre.

RESIDENTIAL - STAY ON CAMPUS

mackdonald language academy offers residential summer vacation courses in Waterford and Dublin.

Living in an on-campus residence gives students the opportunity to mix with other international students from all over the world.

Both residential centres offer full-board accommodation. The school will provide three meals each day at the on-campus school restaurant in both centres.

Girls and boys always sleep in separate accommodation and students are supervised by our staff at all times.

Students' welfare and enjoyment are of prime importance. We are always there to help and provide 24 hour assistance.
